26 October 2023 Newsletter 8/23

*Kia ora e te Whānau,*

## Teacher Only Day

*There will be a Teacher Only Day on Monday November the 13th for all schools within the Te Maru o Ngongotaha Kahui Ako.*

*The Teachers will be focusing on strategic planning for 2024. It is a really important day involving present and new staff members for 2024.*

*Once strategic planning is completed, it will be made available for all school community members via Seesaw and the School Website.*

## End of Term 4

*School finishes for the End of the Year on Term 4 at 12:30pm on Thursday December 14.*

## Sunsmart School

*Western Heights Primary School is a Bronze Accredited Sunsmart School.*

*To keep our accreditation, our tamariki are required to wear hats during Term 1 & 4.*

*NZ has the worst Melanoma rate in the world. 5 years ago, I had a Melanoma diagnosis and was fortunate to have had it found early. As kids we didn't know about Sunblock, how important it was to wear hats etc... and that lack of understanding and not being sun smart, was the reason I got it. We want to protect our Tamariki.*

## Senior School Athletics

*Senior School Athletics are coming up on Thursday 9 November. Bring along a Picnic, park yourself on the bank, put on a sunhat and enjoy the day.*

## Pataka Kai

*The Pataka Kai is going really well. Love Soup and other organisations including our very generous community members keep it well stocked.*

*In 2024, Ka Pai Kai will supply Full Size Whanau Meals once a week, cooked, ready to reheat and large enough for a Whanau of 6.*

*For Health and Safety reasons, the meals will be frozen. Ka Pai Kai are fantastic and we hope to get this underway on a trial basis mid Term. There maybe 15-20 Whanau Meals on a Friday afternoon. I will keep you informed of developments.*

## Attendance

*Attending school everyday is the ticket to success. I am confident all students will make significant progress academically and socially if they are at school everyday. Sickness and Tangihana is expected, but every other day your tamariki need to be at school. A great education opens so many doors for them in the future.*

*We are a water only school. The kids can refill their drink bottles using the student water dispenser. It is so important for their learning to keep hydrated.*
